

Meeting called to order by Pres. Jim Slade at 1730

It was brought up that the info on the EANGUT webpage had wrong info about the state conference. SSG Davis will get with SPC Haworth and SSG Faddis to get that info corrected.

CSM Cardon brought up the discussion about changing the meeting time or possibly using the conference call numbers so more people can call and join the meeting if they cannot make it to Camp. CSM Summers said that he will talk with JAG about if we could legally use the conference call number.

Pres Slade talked about memberships. We are currently at 531. Pres Slade has turned in 1400 USAA memberships and those should hit around December. Pres Slade handed out the new membership forms so we can start using them.

1SG Morse recapped National Conference.

Pres Slade said that if at anytime you want a copy of the financial report all you need to do is email him and he'll get it to you.

SSG Rigby is going to set up a professional way of applying for the scholarship in the future.

Once State Conference is over we need to start working the legislative issues with COL Price and COL Olson to get prepared for January.

SMS Guimond and Pres Slade talked about State Conference. They have everything lined up for the Friday night social. They just need a final count so they can get the food. Whoever is going to attend needs to RSVP to SSG Davis by COB 5 Sept. SSG Davis is going to have an email sent out to all through Helpdesk letting people know about the social and conference. Whoever is helping set up for Friday night needs to be out to the O-Club by 1700. On Saturday morning whoever is helping with the booths need to be there by 0800. SMS Guimond needs to know by email of who is willing to help out with the booths so he can coordinate and get everything lined up. Pres Slade then talked about the agenda of what to expect for the State Conference that will start at 1300 on Saturday. Pres Slade wants a formal letter for MG Tarbet, CSM Smith, and CSM Summers on what to expect during the conference. SPC Xanthos is going to type up the letter. CSM Cardon is getting with Bill Ross about getting the Bi-Laws updated. Need to get a current membership roster for the conference so we know exactly who is current with their membership. At the beginning of the conference Pres Slade needs to mention that only current members can vote for the new presidency.

The motion was made to adjourn by CSM Cardon and seconded by SSG Perry at 1913.
